SUMMARY OF SUBSTANCE OF INTERVIEW

Sir:

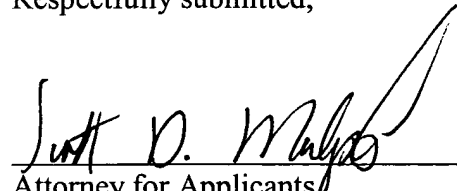

Applicants respectfully wish to thank the Examiner for the courtesy extended toward their representative during the telephone conversation of March 4, 2004.

During the conversation, the Examiner proposed amendments to Claims 1 (line 10) and 13 (line 17), in which "control unit having" would be changed to --control unit configured to have--.

Applicants' representative authorized the Examiner to make the changes by Examiner's Amendment. The Examiner indicated that the case is otherwise in condition for allowance.

Applicants' undersigned attorney may be reached in our Washington, D.C.
office by telephone at (202) 530-1010. All correspondence should continue to be directed to our
below-listed address.

Respectfully submitted,

Attorney for Applicants
